IN RE: Application of Call a Cab, LLC, 64 Princeton) ORDER
Road, Goose Creek, SC 29445 (District 1) for) SETTING
a Class C Certificate of Public Convenience) HEARING
and Necessity.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Petition of the Office of Regulatory Staff (ORS) for a hearing on the merits of this Application for a Class C Taxi Certificate of Public Convenience and Necessity for operation of a motor vehicle carrier. The taxi company, Call A Cab (Call A Cab or the Company) will, as alleged by ORS, be operating under a lease agreement without proper authority of the Commission, and allegedly the Company's drivers will not be properly insured as required by Commission regulations. ORS also makes other allegations against the Company that it states would make the Company not be considered "fit, willing, and able" to serve the public as required by the Commission's regulations. Accordingly, ORS requests a formal administrative hearing to address disputed issues of fact and law regarding this Application.

We agree that the allegations of the ORS Petition should be heard by this Commission, along with any response that the Company may have. Accordingly, we grant the request for hearing. The Commission Staff shall set the hearing for such a time as may be available on the Commission's calendar.

This Order shall remain in full force and effect until further Order of the Commission.
